Thanks Everyone!

BTW, it was a really great tour. I finally got to see the Fremont Weir, which was v. different than my vision of it. And now I understand why all those google image searches I did never turned up anything that I could really "see" of the Fremont Weir. Ted and Louise were fantastic!

Erin – Hi, hope all is well. I forwarded your voicemail regarding a Yolo Bypass tour to Marianne Kirkland. She is the DWR Program Manager for Yolo Bypass projects. I'm hoping she will be able to arrange for your staff to attend.

Good luck! Cassandra
